Space assignments will be made with consideration to the individual's preference to location as much as possible but in keeping with the best interest of the Exhibit Hall. It is advisable that exhibitors inform WAI Management on the contract of any company or exhibit from which they wish to be kept separated. Assignments are made with due regard for the total Exhibit Hall. Therefore, Management reserves the right to make the final space assignment or to change the space assignment after the exhibitor's application is accepted, should it be necessary. Management reserves the right to change the floor plan and move exhibitors if deemed necessary in the best interest of the Exhibit Hall.

If your representative is unable to distribute all badges prior to the Exhibit Hall opening, those badges may be returned to the Exhibitor registration desk for individual pick up by latecomers.

Magazines may be shipped to the attention of the Exhibit Manager at the designated Shipping and Storage site that will be included in the GES Service Kit, or may be given to the Exhibit Manager on site. There is a charge for this service (see the Exhibit Application/Contract). WAI encourages Exhibitors to participate in this service.

Rules & Regulations

Silent Auctions or fund raising raffles are not permitted by Exhibitors in the Exhibit Hall.

All exhibit material and displays must be confined to the limits of the Exhibitor’s purchased display space. Exhibits must be installed so that they will not project beyond the space allotted. Aisles must be kept clear for normal aisle traffic and cannot be interfered with at any time. Any table display or full display that has the metal supports showing must have draping over it or positioned in the booth that the supports do not show. WAI Management may request GES to hang curtains to cover any exposed supports and the Exhibitor will be responsible for paying for any of those charges. Any displays that may be “unfriendly” to neighboring exhibitors must be approved by WAI Management at the time of booth assignment.

Any exhibitor planning a display exceeding 10' in height is permitted only around the exhibit floor perimeter or upon approval of show management.

No part of an exhibit, or signs relating thereto, shall be taped, nailed, tacked, stapled, pasted, or otherwise fastened to ceilings, walls, doors, windows, painted surfaces, columns, marble, or fabric in any way, and no holes may be drilled, cored, or punched in the hotel walls or floors.

To ensure orderly and efficient installation, operation and removal of displays, and to eliminate confusion, WAI has designated GES Exposition Services as the official service contractor. WAI encourages all Exhibitors to place orders with this firm unless a permanent arrangement has been established with a display house or outside contractor to set up and dismantle exhibits.

Any Exhibitor using a non-official Exhibitor-appointed contractor for installation and dismantling must provide the following to WAI and GES Exposition Services 30 days in advance of the Conference:

- 1. Notification on the Exhibitor’s letterhead of its intent to use a non-official Exhibitor appointed contractor;**
- 2. Proof of the non-official Exhibitor-appointed contractor’s worker’s compensation, and personal and property damage liability insurance coverage.**

All exhibits must be set up by Thursday, February 15, 2007 at 11:00 a.m. and may not be dismantled before 3:00 PM on Saturday, February 17. Violating exhibitors will lose priority points and will not be eligible to exhibit in future shows. During Exhibitor Set up and Breakdown, no one under the age of 16 will be allowed in the Exhibit Hall.
