WAI EXHIBITOR BADGES are required for personnel working in the exhibits and exhibit hall. These badges provide admission to the Exhibit Hall and do not include WAI conference events, general or concurrent sessions, luncheon or banquet. If the organization or company name to appear on badge(s) is different from the exhibiting organization or company, please make a separate copy of this form for each organization or company indicating the name of the Exhibiting Company. Five badges are provided without charge for each 10' X 10' booth space (100 sq feet). Additional badges beyond the allotted amount are available in advance (by March 1, 2008) for \$25 each, or \$50 onsite. Please have your personnel read the "Exhibit Badge Registration Information" for additional details and information concerning the Exhibit Hall.
