The Attraction Where the Sky’s the Limit

WEDNESDAY, FEBRUARY 24
9:30 AM–2:30 PM

www.fantasyofflight.com

Fire up your sense of wonder and get ready for an amazing adventure back to the time when flight was a seat-of-the-pants, moment-to-moment adrenaline rush. Fantasy of Flight has activities all day long that let you experience the history of aviation at our authentic 1940s airport village.

- The Flying Collection Is On Display
  B-26 Marauder, B-24 Liberator, a Curtiss TP40 and two P51 Mustangs.
- Realistic Immersion Environments
  Climb aboard an authentic B-17 Flying Fortress and feel the tension of a World War II bombing mission.
- Real Restoration Tours
  Experience an insider view of what it takes to restore priceless aircraft to flyable condition.
- Tram Tour
  Tour of the Restricted Areas and visit the Maintenance hangar where the Collection is maintained.
- Aerial Demonstrations (weather permitting)
  Often performed by Owner Kermit Weeks
- You Take The Controls
  Immerse yourself in the role of a Naval Aviator as you play an aerial battle video game.

(5 hours – $50 per person, includes admission, transportation and lunch. Some events at the museum require additional fees)

WAI Banquet and Pioneer Hall of Fame

http://www.wai.org/resources/pioneers.cfm

The Women in Aviation, International Pioneer Hall of Fame was established in 1992 to honor women who have made significant contributions as record setters, pioneers, or innovators. Special consideration is given to individuals or groups who have helped other women be successful in aviation or opened doors of opportunity for other women. Come to the banquet to pay tribute to these distinguished women as we celebrate their accomplishments and induct them into the WAI Pioneer Hall of Fame during our Awards Banquet.
Workshops • Training • Seminars

FAA Maintenance Recurrent Training
Sponsored by the Association for Women in Aviation Maintenance (AWAM)
Thursday, February 25  7:00 AM–8:00 AM  Registration;  8:00 AM–5:00 PM  Seminar
This education maintenance seminar meets IA Renewal requirements and provides career development advice. Attend it to achieve the required eight hours. Participants receive a certificate of completion to present to their local Flight Standards District Office. This seminar is also open to those interested in pursuing or upgrading a maintenance career.

Aerospace Educators’ Workshop
FAA Presents:
Presented by FAA AVSED Team
Thursday, February 25  9:00 AM–12:00 PM
Do you love aviation—want to go the extra mile and share that passion with students and teachers? Join the FAA Aviation and Space Education (AVSED) Team for this workshop. We will share ideas and show you how to motivate students and help teachers using simple aviation activities. Even if you already know the benefits of using aerospace to motivate young people, this workshop will help you stay on the path—delivering when it really matters.
You will learn how to:
• Use real life math applications for grades 5-9 with FlyBy Math.
• Use hands-on “make it and take it” activities to reinforce science skills and physics of flight.
There will be lots of surprises and prizes—so, what are you waiting for? Let us help you get on the right heading.

FAA Safety Seminar
What Went Wrong?
Presented by Kathleen Vasconcelos, Manager of Safety Education Programs, AOPA Air Safety Foundation
Thursday, February 25  7:30 PM–8:30 PM
The audience plays investigator to several different accidents to determine probable cause. From steering clear of weather to maneuvering safely and much more, if you’re looking to minimize your chances of being involved in a fatal accident, you’ll definitely want to attend this seminar!

Registration Options
Full Registration includes all meetings, meals, exhibits and social events.
One Day Registration includes all meetings, meals (luncheon or banquet) and exhibits for that day.
Student Registration includes all meetings, meals, exhibits and social events, except the Saturday night banquet.
Miscellaneous Tickets are available for the opening reception, luncheon and banquet for registrants requiring additional tickets.
Military Rate available for active duty, reserve and guard members.

Professional Development Seminars
Stretched and Stressed? Pursuing Your Dream Career While Raising Great Kids
Presenters: Madonna Bahr and Nirvana Deck
Thursday, February 25  10:30 AM–12:30 PM
Feeling overwhelmed? Stressed? Does everyday feel like a marathon? You are not alone! Women have moved into the offices and factories of corporate America but it has stretched us in ways we never expected. We want to pursue our dreams of having fulfilling careers while parenting successful children. How do we perform at our peak both at work and at home? This workshop will provide strategies for effective time management and stress coping techniques so you can achieve a better work-life balance and reclaim your personal life.

Leaning Into Aviation:
Building Airplanes with The Boeing Company
Sponsored by The Boeing Company
Thursday, February 25  1:30 PM–5:00 PM
“Leaning into Aviation” is a hands-on simulation of the build process of a Boeing 777, where the participants assemble building block airplanes and then incrementally improve the process using lean principles introduced during the seminar. Participants work in teams, in a healthy competition to best each other. This event highlights the evolution from traditional aircraft manufacturing into a lean environment where waste is eliminated and continuous process improvement is realized.

The Six Stages to High Altitude Leadership
Presenter: Betty Lewis Shotton
Thursday, February 25  3:00 PM–5:00 PM
“Six Stages to High Altitude Leadership” is designed to provide participants with thought provoking and constructive ideas as they deal with life and business uncertainties. It is a flightplan for facing great challenges or when changing directions; a navigational tool when old ways aren’t working and new paths need to be forged.
The Six Stages that will be explored in this interactive presentation are:
