

HANDS-ON AVIATION EDUCATION MATERIALS

LEARNING ABOUT AND TEACHING AVIATION

We hope you enjoy the Women in Aviation International Education Activities Kit. Enclosed are activities that explore various facets of aviation from the aerodynamics of flight to aircraft parts and aviation terms. All activities have been tested and are appropriate for all ages.

Whether you are using the activities to earn the Girl Scout Aviation Fun Patch, at WAI Chapter events and at a Girls in Aviation Day event or as part of classroom activities, we hope you find aviation fun and exciting. And we hope you'll one day consider a career in this amazing industry.
